

Any purchases of kit are in addition to your monthly club subscription. Please refer to the notes below for which items are recommended or optional.

Roundwood kit should be ordered via the club area on the Silverfx website:

<https://silverfx.co.uk/category/sports-clubs/roundwood-netball-club/>

### Ordering kit

You as the individual must place and pay for the order. To do this you will need to register your own account on the Silverfx website. Select 'Club delivery – Free' for orders to be delivered in bulk to the kit secretary who will then distribute items at the next training session. (Note - When you get your order confirmation their system seems to pick up your home address to be one of the fields on your confirmation, but so long as you have selected club delivery – free, it will come to the central club delivery address).

Alternatively, you can pay extra for your order to be delivered directly to your address. The delivery date will be the same as for the rest of the orders.

The future order deadlines that have been set are:

Order deadline	Estimated delivery date
13 January 2020	9 March TBC
10 March	5 May
15 April	10 June

### Express Delivery Section

Our Silverfx Club page has a section for items that can be ordered at any time for Express Delivery (3 to 5 working days). Express items are white training tops, club hoodies and white long-sleeved base layers.

Items in the Express Section cost £1 more than the equivalent item in the standard section (to cover Silverfx's admin time to process the order) and the purchaser also pays a delivery cost for Royal Mail delivery to their home.

Orders from this section need to be placed separately to those made for items from the main section.

### Recommended kit

We recommend that Juniors and Little Rs wear the following to weekly training (and also for matches where applicable):

- The Roundwood training top (white t-shirt with RNC logo - Individual name on back optional but encouraged) plus
- Roundwood skort.

### Optional kit

All other items are optional. However, when representing your club please make the effort to wear any appropriate optional club items that you have in preference to other sportswear.

**Club Kit Secretary**

If you have any questions about the kit or ordering process please contact our Kit Secretary Lucy Hill via [roundwoodkitsecretary@hotmail.com](mailto:roundwoodkitsecretary@hotmail.com) or via the Junior or Little Rs WhatsApp group, phone number ending 251.

£32.00

Waterproof Jacket –  
Mesh Lined

Note - There is an additional £3 for personalisation of training tops, dresses, playing shirts, vests and hoodies. Adding your name to the back of your garment is encouraged but not compulsory

#### Further information:

##### Sizing

***The club is not responsible for what size of kit you order.*** Please note the guidance on the website and choose the drop down boxes carefully when ordering. We recommend trying someone else's kit for size if you are not sure which size to order.

If you require larger sizes than are available on the junior section of our site, you can select from the senior section instead. Note that prices are higher in the senior section.

##### Coach jacket

This is a warm, padded jacket. Ideal for spectators! For players, we recommend instead one of the waterproof jackets (available in a choice of fleece or mesh lined via a dropdown box on the item) because they are more suitable to wear during warm up/training in wet conditions.

##### Earning points

You will see on the Silverfx website that for each £1 that you spend you earn 1 'bonus point'. Each point equates to 1p to discount against a future purchase within 12 months.

##### Account expiry

I have found through personal experience that Silverfx delete your account if it has been inactive for a certain period (possibly 2 years). If these circumstances apply to you it means that you will need to recreate an account at check out page when you create an order.

##### Nearly New items

Occasionally we have some nearly new items available for purchase direct from the club. Check our club website on the kit page to see if we currently have any.
