

Any purchases of kit are in addition to your monthly club subscription. Please refer to the notes below for which items are required or optional.

Roundwood kit should be ordered via the club area on the Silverfx website:

<https://silverfx.co.uk/category/sports-clubs/roundwood-netball-club/>

### Ordering kit

You as the individual must place and pay for the order. To do this you will need to register your own account on the Silverfx website. Select 'Club delivery – Free' for orders to be delivered in bulk to the kit secretary who will then distribute items at the next training session or match. (Note - When you get your order confirmation their system seems to pick up your home address to be one of the fields on your confirmation, but so long as you have selected club delivery – free, it will come to the central club delivery address).

Alternatively, you can pay extra for your order to be delivered directly to your address. The delivery date will be the same as for the rest of the orders.

The future order deadlines that have been set are:

Order deadline	Estimated delivery date
13 January 2020	9 March TBC
10 March	5 May
15 April	10 June

### Express Delivery Section

Our Silverfx Club page has a section for items that can be ordered at any time for Express Delivery (3 to 5 working days). Express items are white training tops, club hoodies, umpire hoodies and white long-sleeved base layers. There is sometimes a limited selection of dresses available.

Items in the Express Section cost £1 more than the equivalent item in the standard section (to cover Silverfx's admin time to process the order) and the purchaser also pays a delivery cost for Royal Mail delivery to their home.

Orders from this section need to be placed separately to those made for items from the main section.

### Required kit

The A team have a different design of dress. Please speak to your captain, or Sara Palmer (Club Secretary) or Lucy Hill (Kit Secretary) for more information. A team dresses are now available on Silverfx but we have a number of dresses available for purchase from the club so please speak to us before ordering a dress online.

Players in squads for B to E teams (for which you need to be aged 14 and to have been selected for a squad by Roundwood coaches) should wear a Roundwood Netball dress (or playing shirt/vest & skirt/skort) on match days. This is termed 'Netball Dress' on the website. Do not order 'A team dress' as this is only for players in our top team.

## Roundwood Netball Club – Senior and Development Squad Kit ordering guidance

January 2020

We recommend that as a minimum you also have a Roundwood hoodie or jacket to keep warm. (Individual name on dress and hoodie is optional but encouraged).

Development Squad members may be asked to represent the club at age appropriate tournaments. At these we aim to use the Velcro bibs that attach to club dresses/playing shirts/vests (rather than overhead bibs). However, if you do not have one of these we often have some that can be borrowed.

### **Optional kit**

All other items are optional. However, when representing your club please make the effort to wear any appropriate optional club items that you have in preference to other sportswear. It reflects well on the club if all teams look smart. Please don't wear non-club colours on court in either your shorts or baselayers.

On match/tournament days, ideally any underskins should be white rather than black. The branded baselayer available in the kit is one option for you, but you could wear a plain white one instead.

Leggings worn for matches or tournaments should be black.

Undershorts should be purple (one option available on Silverfx) or black.

### **Club Kit Secretary**

If you have any questions about the kit or ordering process please contact our Kit Secretary via [roundwoodkitsecretary@hotmail.com](mailto:roundwoodkitsecretary@hotmail.com)

*See next page for images of kit and prices . . . . .*

£64.00

Waterproof Jacket –  
Fleece Lined and

Note – There is an additional £3 for personalisation of training tops, dresses, playing shirts, vests and hoodies. Adding your name to the back of your garment is encouraged but not compulsory.

**Further information:**

**Sizing**

***The club is not responsible for what size of kit you order.*** Please note the guidance on the website and choose the drop down boxes carefully when ordering. We recommend trying someone else's kit for size if you are not sure which size to order.

Please be aware that the length of a short Silverfx dress is 30" whereas the length of a short Kukri (previous supplier) or Viper10 (previous A team supplier) dress was 31"

If you wear smaller sizes of kit, you may wish to order via the junior section of our site which has the same items available at slightly lower prices.

**Coach jacket**

This is a warm, padded jacket. Ideal for spectators! For players, we recommend instead one of the waterproof jackets (available in a choice of fleece or mesh lined via a dropdown box on the item) because they are more suitable to wear during warm up/training in wet conditions.

**Earning points**

You will see on the Silverfx website that for each £1 that you spend you earn 1 'bonus point'. Each point equates to 1p to discount against a future purchase within 12 months.

**Account expiry**

I have found through personal experience that Silverfx delete your account if it has been inactive for a certain period (possibly 2 years). If these circumstances apply to you it means that you will need to recreate an account at check out page when you create an order.

**Nearly New items**

Occasionally we have some nearly new items available for purchase direct from the club. Check our club website on the kit page to see if we currently have any.
